

# Strategic alliance to promote a unique technology

Nineteen leading companies have decided to join forces and resources to set up a partnership under the name "Flexo4All", a strategic alliance combining worldwide expertise from independent companies, mainly suppliers of the graphic arts and packaging printing industry.

The members work together in partnership, sharing their experience and knowledge to perfect flexographic packaging printing whilst also promoting the advantages of this technology and pursuing innovation. There are clear benefits for all substrates, all segments, all applications, and all budgets.

The nineteen Flexo4All partners are: Bobst, Gallus, and Praxair Surface Technologies in Switzerland; Comexi and Rotatek in Spain; Degraf, Gidue, Omet, and Uteco Converting in Italy; DuPont Packaging Graphics, Eckart, Fischer & Krecke, Lohmann Tapes, Siegwerk, SunChemical/Hartmann Druckfarben, Tesa and Windmüller & Hölscher in Germany; EskoArtwork in Belgium; and Soma in the Czech Republic.
