

FLEXO4ALL AT GRAFITALIA/CONVERFLEX

2009. Flexo4all will attend Grafitalia/Converflex 2009 (Hall 14, Booth A07). A constant trend to shorter runs, ever-increasing utilization of graphics and colours, steady top quality and brand integrity, environmentally-smart solutions and, last but not least, cost effectiveness, is what the packaging industry wants. During the last years, and today more than ever before, Flexo is demonstrating to be the ideal technology to respond to these challenging needs. At Grafitalia/Converflex 2009, Flexo4All will be please to host partners, suppliers, visitors and anyone who is interested in discovering more about the alliance or flexography at its booth.
